

The Sign of a Watch Case

This Keystone is the identifying sign of the best watch case made—no matter what it costs. It stands for worth and wear for beauty equal to an all-gold case, at a much smaller price. The

JAS. BOSS
Stiffened GOLD
Watch Case

is better protection than a solid gold case, because of its stiffness and strength. Better than any other case, because it will last for 50 years without wearing down or losing its beauty. A reputation of 50 years proves the value of the Jas. Boss Case. Consult the Jeweler. Write us for a booklet. THE KEYSTONE WATCH CASE COMPANY, Philadelphia.

PLANETS

Will Entertain Tonight.

Good Program of Athletic Events.

East End Club's Quarters
Thronged Monday Night.

Local interest in sporting circles tonight will be centered at the Planet Atlantic club, where the first entertainment of the season will be given, at the club rooms on East Mill st.

The Planets already have a record for good, clean, fast sport, and by the appearance of the program as announced, they will have a show that will not need to take second place for anything as yet offered this season. The star event of the evening will be a catch-as-catch-can wrestling match between Tommy Llewellyn, aspirant for the 116-pound championship of the state, and "Duck" Petley. Petley is the heavier, and he is also very clever. Llewellyn has offered to throw him three times in an hour, or forfeit \$25. There will be more boxing and wrestling, between fast local entertainers, as follows:

Thl vs. Mahan, three round boxing exhibition; McFarland vs. McFarland, three round boxing exhibition; Curley Souers vs. Clark Burrell, three round exhibition; Art Shaffer vs. Billy DeWitt, ten minute wrestling exhibition; Art Shaffer vs. Carahan, ten minute wrestling exhibition. All of the bouts will be well within the law, and there is no reason why the club rooms should not be packed to the doors.

CUP DEFENDER TO BE CALLED "EAGLE."

America's new cup defender is to be called the Eagle. If the boat survives the trials in the selection of a cup defender, she will represent the nation in the international yacht races next season.

Ryan Patch, the famous unbeaten prizefighter with a record of 150-1-4, has been bought by M. W. Savage, of Minneapolis for \$90,000. This is the highest price ever paid for a prizefighter.

ATTELL WON.
The Attell outpointed Buddy Ryan in a six round go at Chicago last night. Attell used a straight left that Ryan was unable to evade. Ryan knocked Attell down once, but he showed no ill effect. The winner is the California featherweight who has championship aspirations.

CANT FIGHT IN MICHIGAN.
Governor Bliss of Michigan, has issued an ultimatum to the effect that he will not permit the McGovern-Corbett fight to take place at Detroit. This leaves the managers out in the cold again. Based from Michigan, barred from Kentucky, barred from Connecticut. Next?
